The Layne Jones Family

August 2026

Dear Pastors and Friends,

What a Great God we have!!! God is so good all the time!!!

We will be in the states in March 2027. Let us know if you would like us to report on the work here.

We saw over 200 saved in our different ministries in July. We are in the mountains of Samar(ia). There are Baptist churches springing up everywhere now. We have the first Baptist church in 26 towns in N. Samar. We are praying we can have 2000 or more children every Saturday in our extension classes and praying for 100 or more Bible college students.

Our Annual World Missions Conference is August.11-13. We need your prayers. The wicked Roman Catholic fiesta for Mary is August 29. We are going to pass out over 10,000 Chick tracts and college flyers.

We just got back from Laoang, N. Samar. We passed out tracts and college flyers. Laoang is 50 km from Catarman. There are over 50,000 there. We sent a married couple there to start a church over 35 years ago. The priest got up in the Catholic church and said to all of the Catholics not to rent to the Baptist in town. No one rented to our graduates. Now we have a church there. We need three more churches there.

Please pray for our graduate pastors. Many need support, land and church building. Please pray for a graduate to go to Catbalogan, W. Samar. That is the capitol town of Samar. There are over 100,000 in the towns. We need a church also in the center of Calbayog. W. Samar. There are 156 barangays and over 100,000 people. There are plenty of murders there.

Two of our pastors just got back from Palawan Island, the most western island in the Philippines. There are plenty of Moslems there. Many Americans went there for evangelistic services. There were 576 schools, 176,000 attendance and over 150,000 that prayed for salvation. It is hard to believe. Philippines is still open.

We are in colleges, universities, and high schools on Friday lunch break. We must reach them while we can.

Thank you so much for your prayers and giving.
