

July 2026

Dear Friends,

July was absolutely amazing! My son-in-law and sons held a great youth conference with over 7,000 attending. Nearly 500 young people decided to serve God with their lives!

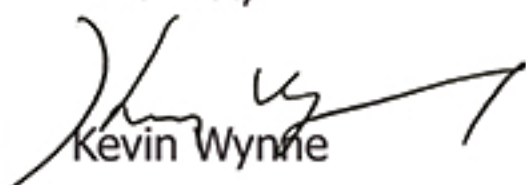

I usually hold a Bible club each week in the street or in a park or plaza. While I preach, my wife goes soul winning in the street. On this Saturday I am speaking of, she won six people to Christ. She stopped a seventh lady walking by and asked her if she could explain how to be sure she was going to heaven. She told my wife that she had just gotten saved with a little boy. She said, "I had many doubts and questions, and the little boy there answered them all." She pointed to my nine-year-old grandson Jason. What a joy to see the children serving God and soul winning.

In July we saw 714 trusting Christ as savior in the Church and 404 Baptized, and another 348,193 Saved in outside services and 3,399 Baptized. I only report those saved by our workers from the Mexico City church, not the hundreds of other churches we have started.

A dear pastor recently asked me how do we know that they are saved? I explained that we give them the gospel as clearly as we can, praying for the Holy Spirit to convict them. We pray with those who want to be saved and then ask them where they are going now after they die. We accept their profession of faith. I also mention many get baptized immediately on the street, in public, in front of Catholic neighbors who will persecute them for their decisions. Of course, we don't know what is in their hearts, but to me, that is a great sign of sincerity.

None of this work is possible without your prayers and support!! We love you and are grateful that you keep us on the field. It is all fruit for your account in Heaven (Philippians 4:17).

In Christ,

Kevin Wynne
