LABOURING TOGETHER WITH MISSIONARIES AND CHURCH PLANTERS

"For we are labourers together with God..." I Corinthians 3v9

Building Projects and Ministry Updates

Dear Friends,

I have been praying about sending out a report on different projects our team is working on here in Victoria Falls, Zimbabwe. My goal is to be specific so that firstly, you know how to pray for the physical needs of the ministry here; and secondly, if there is any area that you or the church would like to send aid, you will know where the support is going specifically. Thank you to each of you for your prayers, support, and investment in the ministry and souls reached here in Zimbabwe.

At the moment, we have several building projects going on...

- Firstly, at the church property in Lupinyu we are currently constructing a church building, a dormitory block for conferences, and a kitchen. God has recently blessed us with the funding for a church roof and dormitory roof. We are so thankful by the progress and are praying for continued advancement. Recently, we have received various quotes for bricks for the church walls, bricks for the kitchen walls, the kitchen roof, a ceiling in the dormitory, as well as flooring.
- Secondly, we are building on our living property a missions house. This will be used primaril
- y as a living quarters for myself and another single lady missionary, and for

the house, develop the living space, make sure there is running water and electricity, and find furniture.

As for ministry needs...

- The vehicle market in Zimbabwe is not what we are used to, and the prices for the vehicle we need to minister out in the rural areas is not less than twenty thousand USD. Currently, I have half of that amount.
- Printing gospel literature is an exciting avenue for sharing the truth and inviting newcomers to the Bible studies and church services. Currently, we have a shipment of 30K John and Romans that will start its journey at the end of September. Before that carrier leaves, we would like to order tracts and covers for the John and Romans that will take about four months to arrive! We need to order the gospel literature as soon as possible. The cost for both tracts and covers is roughly \$6000.

As a team, we are looking forward to several events happening in our area. Primarily, the 2027 ICC Men's Cricket World Cup will be hosted here in Victoria Falls. The 10,000 seat multipurpose stadium is being built and the World Cup for cricket will be hosted beginning in October 2027. We are praying and preparing gospel literature to pass out at these events, and we need your help getting it shipped to us!

Also, as we complete the list of building projects, our goal is to train national pastors, host school rallies, and minister to our community through our local church.

A LIST OF NEEDS:

BUILDING PROJECT COSTS:

- \$1300 for Kitchen Walls
- \$2000 for Church Walls
- \$1000 for Church Windows
- \$1500 Dormitory Flooring
- \$3000 Dormitory Ceiling
- \$4000 for Missions House Ceiling
- \$400 Gas Water Heater

MINISTRY NEEDS:

- Additional \$10,000 for Ministry Vehicle
- \$600 for 10,000 Tracts
- \$5000 for John and Roman Covers
- Shipping Cost Undetermined

~ PRAISES ~

God has blessed by opening doors to us to host various conferences at the church property in Lupinyu and school events at a local government high school. The willingness to come is great, but sometimes the ability to come due to transportation or food limits those who do come.

On June 6th, God provided, at what seemed to me the last second, the funds to provide transportation for 4 schools and over 100 souls the ability to attend a Bible School Rally. Speaking to a missions director, they said whoever God used to send the money bought tickets for each soul to hear the Gospel.

I appreciated the analogy, and found the perspective encouraging.

I had no idea where the money was coming from- and I have experienced each month that while financial support varies, God always provides what is needed. From this event, souls were saved, more doors of opportunity have been opened to us, and now our team is able to faithfully minister in more schools on a regular basis. Please don't doubt that even the tiniest offering is something that our God blesses and uses for the advancement of His Kingdom. All of these projects and ministry needs work together in one accord, *holding forth the Word of Life*, that we have not laboured in vain. (Phil. 2v16)

Matthew 6v33

'Seek ye first the kingdom of God, and His righteousness. And all these things shall be added unto you.'

Philippians 4v17

"Not because I desire a gift: but I desire fruit that may abound to your account."
