

PRAY FOR THE HEBERT FAMILY

MISSIONARIES TO TORONTO, CANADA

July/August 2026

Dear Pastors and Praying Friends,

Praise the Lord for another summer in Canada. July was a great month for us. We started out with a precious visit from family in the early days of the month. We had such a great time with loved ones, as we crammed seven people into a tiny apartment. Abby got all the attention she could soak up in a short time. Life went back to normal after family left, and we picked up straightway with our Bible-distribution efforts.

Another group came to join us for a missions trip to help us canvas our area with John and Romans. For several days, they joined us in multi-hour outings, getting out thousands and thousands of Scriptures to homes. I'm not sure how many Scriptures have been distributed, but the number has easily doubled from the last time I reported.

Immediately after this, we shifted into Youth Conference mode. Some of our teenagers (two of whom had never gone before) went in person to Hammond, Indiana. For the rest of our teenagers who couldn't go to the States, we had our own Youth Conference Watch Party. I love that our youth group is so diverse! It was so fun to have a couple of Americans with a Canadian/American baby bowling with Chinese, South African, and Iranian teenagers. It was a sweet time of fellowship focused on the Word of God.

The month ended with us celebrating our 19th wedding anniversary and the first with Abby with us. We had such a fun, relaxing vacation. We did fun things as a family, like visiting the petting zoo and an aviary. I'm so thankful that God gave us a little girl who enjoys the simple things of life as much as she does. She really lives up to the meaning of her name—"her father's joy."

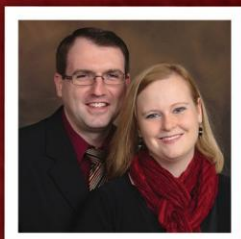

In August, we had what is always my favourite time of year, which is simultaneously the most exhausting time of year—VBS and Teen Event. In the daytime, I took some of our kids to VBS and brought them home each day, and in the evening, I took our teenagers to Teen Event, the teen equivalent to VBS. It was around eight hours of driving each day, but it was worth it! This year, I took a class and taught the 7th and 8th graders. It was a joy teaching them their Bible verse of the day and helping them memorize their verses. I even got to lead a couple of young people to the Lord that week; one was a boy who raised his hand during the invitation, and the other was actually a teen helper who, as he listened to the preaching, started asking questions about how to know for sure he himself was saved! Thankfully, I was just in the right place at the right time for both of them. Our youth group is shifting and changing a bit, so please pray for wisdom, grace, and effectiveness. We're evermore grateful for the work we get to do here.

Prayer Requests:

1. Bible distribution at the public schools starting again in September
2. Bible distribution efforts in the Greater Toronto Area
3. God's hand on our youth group
4. Miracle building for our church
5. Wisdom and grace for raising our daughter

His servants and yours,

Brian, Liz, and Abby Hebert
