Dear Praying Friends,

We mentioned about Br. Raul and his wife coming to our conference. All went very well with good attendances in both Pozo and in Zacatecas! We had many visitors come and there are still a few that are coming back! Leonor's nephew and his family came one night. He and his wife and their oldest daughter got saved! Sister Chuy's brother Sergio and also his daughter Fatima got saved! Br Raul's grandson Alexis got saved and he also got baptized! Noelani's grandmother came and she got saved! Samantha is a little girl that started to come to church as a result of this conference. God worked through Br. Raul's preaching and we had a blessed time.

On Sunday a lady named Anamaria came to our church services. She came to the main gate of the church, which was open, and she was afraid to come in. She was knocking on the door and calling out to see if we were there. We hold our church services in the back building so we could not hear her. Lidia was in the front building teaching the children's class. Lidia heard her and she answered her and told her that the main services were in the back building. She came very late and heard a small portion of the preaching. We were able to talk to her after the service. She is saved and going through a very bad time in her life. Please pray for her to come back to church.

While out soul winning at the hospital Lidia came in contact with a family with a bad health situation. The dad was playing with fireworks as part of a catholic celebration and they exploded on him and damaged his face. His wife and daughter were there helping him out. His wife was not interested in hearing the Gospel but he and his teenage daughter wanted to know. The man and his wife are in process of getting a divorce and the teenage daughter wanted Lidia to talk them out of the divorce. As a result of this situation all three of them heard the Gospel and got saved!

We had a special day in Pozo and we gave a bag of school supplies to each child that came. We are planning on doing the same here in Zacatecas. We had 11 first time visitors come to our church services this month. Lidia and I saw 35 people come to trust Christ and our church people were able to see 72 come to Christ for salvation!

Yours for souls,
Mike and Lidia Lemma
