

Special Prayer Request  
September 15, 2026  
From Larae Hoff

Hello Prayer Warriors,

I am grateful for your prayers. I want you to know that I pray for you and your church! If you have anything that you would like me to pray for, please let me know!

I want to ask you to pray for a situation at the first daughter church I helped. In the picture is a lady named, Sarah, and her oldest son, Seth. They live in Mamponteng, where the daughter church I helped is. We first met Seth at the second Bible club that we did. He began attending Fundamental Baptist Church of Mamponteng the week after the 2025 Vacation Bible School. About a year and a half ago Seth was involved in an accident which caused damage to his stomach and private area. His parents paid for two of the three surgeries, but haven't been able to afford the last surgery. The beginning of March, Bro. Emmanuel asked me about how to help Seth's bladder/stomach issue. After seeing what was going on and talking with his Mom, we came up with a temporary solution, but learned that he will need that last surgery to correct the issue.

I praise God that Seth has been coming faithfully to church. He has invited friends and family to come with him, even though it's a long walk from their home. On Thursday, during Vacation Bible School, I went with Bro. Emmanuel, Bridget, and Emmanuella to visit Seth's mom and she listened intently and asked questions as we shared the Gospel with her. She trusted Jesus alone for her salvation! Praise God!

Three months ago, Bro. Emmanuel and Pastor Kingsley decided that they wanted to help out Seth's family so he'd be able to have that surgery; their church is trying to raise the finances. I am asking you to join me in praying that the finances can be raised for this corrective surgery. Also, please pray with me that Seth can be healed without post-op infections.

This young man has a great desire for the Lord. I loved seeing Seth at the evening church service and saying the weekly verse. He also participated in the skits that the Jr Church kids performed for VBS. Bro. Emmanuel says that Seth also comes on Saturday morning and joins in the Saturday evangelism!

In the first picture is Seth and Sarah, his mom with Bro. Emmanuel and I. In the second picture we are joined by Seth's little brother, Emmanuella, and Bridget (Sunday School/Jr Church workers).

Thank you for your prayers.

~In Christ, Larae Hoff
