MISSION REPORT

DEAR: PASTOR & CHURCH,

God is faithful through every season! More than 23 years, Amazing Grace Baptist Church began as a simple vision and mission.

MISSION:

To share God's simple plan of salvation, to make committed disciples and to develop spiritual leaders.

VISSION:

Our vision is to see people getting save, committed disciples meeting in a small group, transforming lives and families, by the power of God and for the glory of God.

Looking back, we cannot help but reflect on the goodness of God. We started in the humble beginning, but now has grown beyond what we imagined. Yes, we have faced a lot of hard things and have also received a lot of blessings. Yes, God tested our faith, because faith that cannot be tested cannot be trusted.

The ministry of mission and ministry was made possible what can only be described as God's miraculous provision. Also, the remembrance of God's grace and, through the generosity of faithful pastors, faithful churches, and faithful friends, who invested their life, love, labor, and resources.

Thank you for your willingness to forward by faith in mission and kind partnership that makes this ministry possible and reminds us that God often works by faith and by faithful friends. Yes, we promise that AGBC's mission and ministries is not just a building; it is more on evangelism.

Thank you very much for your faithful support, prayers, and partnership.
