Ministry of International Asian Mission Cooperative - Church Planting in Metro Manila – Sent by Grace Bapt. Church, Marion, IA

Important Church Plants

God continues opening miraculous doors for additional Church Plants to Preach the Bible throughout the Philippines. Two Filipino converts saved in our ministries have given their inherited "ancestral land" for the purpose of planting two local Churches in the area they grew up allowing the people in their area to hear the Gospel of Grace. Then in the Palawan Island, a third Church opportunity opened to us, in that, an American couple are returning to USA for health reasons & have chose to give their Bldg & House. The fourth miracle is a property in Davao, Mindanao that a couple is wanting us to use for 5 years until they return from working remote in the USA. **Pray about adopting a new local Church plant by help in giving to: Bibles, song books, pulpit, plastic chairs, the initial rent, and an inexpensive sound system.** (Phil 4:16-19; IICor 9:6-8)

Many Souls Saved

"They that sow in tears shall reap in joy." It's a Promise from God that there's Joy on earth and in Heaven when souls receive God's free Gift (Jesus) as their personal Saviour. IPt. 1:8 "ye rejoice, with joy unspeakable and full of glory." Praise God Soulwinning still works!

(Their faces beam with Joy as they are taught about Eternal Security!)

> Pray for all of our converts to follow in baptism & discipleship.

Local Churches Growing

Church family in Guam now has its own rented building (it was using a church bldg of another group). As this church grows, it is preparing to start a Church Plant on the closeby Island of Saipan. Both Islands are blessed with 30% to 35% filipinos!

(Guam/Saipan; Excited Filipino People)

Below pics are the Naga Church & their building's progress. The left picture is the bldg without walls & the right picture is the building with completed walls, windows & doors.

This church is marching forward in spite of being in a very "religious" area of the Philippines. They just had a large evangelistic outreach with 210 saved, 55 baptisms, and many joining the church to learn to be a witness for The Lord Jesus!!

We're excited for this coming year as we launch four (4) more Church plants. **We request both prayers and our supporting churches to consider helping us in finances (as mentioned earlier) to acquire the necessary basics to go fwd.**
