Dear Friends, Prayer Warriors, and Supporters:

September 30, 2026

We're thrilled with all that God has done in recent days! On September 25th, one of our teams was in the state of Chhattisgarh, India. *"During approximately 200 kilometers of our journey, we did not see a single church. There are also significant restrictions concerning public Gospel preaching in the state. Anti-conversion laws are in force, and openly preaching the Gospel and baptizing converts can bring serious legal difficulties. In spite of these challenges, we praise God for opening a door for us through the Redeeming Hope film."* Around 300 people came to watch the film and heard the clarity of the Gospel preached! Many were turned from darkness to light that night, and we give God the glory how He pierced the darkness.

Since our last recap video/letter from January of this year when I had the privilege of going in India and preach to over 17,000 people combined in 3 crusades, 2026 has been a very busy for this ministry. **From the beginning of February to the end of June**, the Lord has allowed us to conduct **45 crusades** through our two teams there in India. These meetings were held in 45 different villages — some of which include Cheemalapadu, Akkiredygudem, Moddulaparva, Morusumalli, Pulluru, Keesara, Ponnavaaram, Mylavaram, Gampalagudem, Chobbala, Palem, Mallavolu, Tarakaturu, Katlapalli, Pedda Tummidi, Sattenapalli, Guduru, Pedana, Yendakuduru, Lignavaram, Chiruvolulanka, Kudapa, Vegivada, Marlapalem, Kondaparva, Pindiprolu, Sitaramapuram, Kuchipudi, Pedamaddali, Nadigama, Naguluru, Gogulampadu, Ganapavaram, and Warangal.

Over 32,000 people attended, drawn to the meeting by the working of the Holy Spirit through fervent prayer and the **93,000** Gospel tracts distributed. At least **8,500** publicly acknowledged they put their absolute faith in the Lord Jesus Christ as the one true God and their personal Saviour! I had the humbling privilege to preach the Gospel **six different times to over 10,000 of these people** (combined total) in India via livestream!

After one crusade in particular, **ten young people** came forward and shared: *"It gave us immense joy to have such a meeting in our area. It strengthened us spiritually. We have now decided to surrender our youth to the Lord, live righteously, and be His witnesses. When the Evangelist was preaching from the screen with such a burden, it created a strong desire in us to have the same love and burden for the Gospel. We are going back with renewed commitment."*
TO GOD BE THE GLORY!

Another eye-witness testimony of how God has been mightily at work among the people is from an LED Screen Operator. He said: *"We have done many events and arranged many meetings before, including Gospel meetings. But we have never shown a movie like this that brought such a powerful response among the people. Tonight, this movie made a great impact not only in my life but also in the lives of many people. Personally, it reminded me to live faithfully for Christ. I also saw many people repenting and turning to God. This movie has been very useful for bringing people to repentance."* **Psalm 118:23 — "This is the LORD's doing; it is marvellous in our eyes."**

✓ *"I have been serving as a worker in the Catholic Church and I have been taught if I wake up early in the morning, go to the Church, clean it, and say a small prayer with small offerings that I will be saved. I continued like this, believing that by my offerings and good works would save me. But tonight, while watching the*

movie, God opened my heart and touched me deeply. I understood I had been lied to. I understood that only by accepting the Lord Jesus Christ in true faith can I have salvation. Tonight, I believe God has given me an opportunity to trust to Christ and trust fully in Him."

✓ "We are from a Hindu family, and when this meeting was arranged near our house, we felt disturbed and did not accept it. But since it was a movie, we decided to sit on the roadside and watch it. After watching, we realized that what we thought about the Lord Jesus Christ was wrong. He is the One who changes people and their lives. He is able to deliver people from their sin and suffering and give true peace. We believe that God allowed us to watch this movie tonight so that our lives may be changed. Tonight, we accepted the Lord Jesus Christ as our personal Savior."

✓ "My name is Kantha R____. This meeting place belongs to us. From the time of our forefathers, we have been devoted to Lord Rama. We always had respect for Jesus Christ, but we worshipped only Rama as God. Tonight, since this meeting was arranged on our land and a movie was being shown, I came and sat to watch it. After watching the movie, I understood one important truth a person cannot be changed by his own works, knowledge, or wisdom. Also, through lifeless things such as idols, a person cannot receive a new life. I realized that Jesus Christ is the One who gives eternal life, and He alone is the true God. Tonight, I accepted the Lord Jesus Christ as my personal Savior."

✓ "Every year, in this same ground, we conduct a feast. From our forefathers' time, we have been worshipping the same gods. No one ever had the courage to share the Gospel of the Lord Jesus Christ with us. We never heard it, and no one told us. Tonight, when you arranged this meeting in this ground, we came to create trouble and stop it. But while watching the movie, we understood that the gods we were worshipping are false, and by following them, our lives will not change. Instead, it will lead us to destruction. When we saw what God did in Denver's life, we were happy. Through this movie, we came to know about eternal life. Tonight, we understood the truth and turned toward the Lord Jesus Christ. He alone is the one true God!"

✓ "I am a Muslim. We believe in Allah and live our lives according to our faith. We always considered Jesus Christ as just a good person. But tonight, while watching the movie, many thoughts began in my heart. I was deeply impacted. When I saw the scene where two people, at the time of their death, said that they believed in Jesus and that they would receive eternal life and be with their family again, I was surprised. The same surprise that Denver experienced, I also felt. Through this, I understood that new life is given only through the Lord Jesus Christ. Tonight, I realized that He is the true God. All glory be to God, Amen."

✓ "We are a family deeply involved in idol worship. Every year, we conduct special ritual, give offerings, and spend money for our gods. We even take responsibility for organizing festivals like Vinayaka idol worship. But when we saw in the film how Denver went into a place and saw lifeless idols and came out disappointed, it touched our hearts. We realized that for many years, we were carrying lifeless idols on our shoulders, but there was no change in our lives. When Denver believed the Word of God and accepted Jesus Christ as his personal Savior, his life was completely changed. That made us understand a great truth: God is the One who carries us, not the one we carry. Tonight, we accepted Jesus Christ as our personal Savior. All glory to God who brought us out of darkness into truth, Amen."

These **salvation testimonies** are just but a few of the many hundreds received and recorded of how God mightily worked in the midst of absolute spiritual darkness. (There are fifty selected testimonies on our most recent report: www.redeemingshopecrusades.com/crusades/spring2026. You can read hundreds more in the other reports online.)

Friends, I am excited to share with you that God has opened the door yet again for Redeeming Hope Crusades to conduct an additional 20 larger-scale meetings from **November 2026 to January 2027** in three different countries — **Nepal, India, and Venezuela**. There is incredible potential to reach **at least 40,000 more people with the Gospel!**

With each line item carefully in place, the Lord has set before us a budget of **\$90,000** that needs to be prayed in within the next few months.... I am excited to see how God will miraculously provide for His work. *Would you be willing to take part in what the Lord is doing?*

1.) **GO TO GOD IN FERVENT PRAYER.** I adamantly believe that these Crusades will NOT be possible without passionate soul-travail and prevailing prayer with God. *"Without intercession there will be no outpouring."* Intercede for the anointing power of Heaven upon all that is to be done as He directs us. Pray for wisdom, provision, protection, tenderness in the hearts of the people; open doors with local authorities, for souls to be drawn to the meetings, and for God to bind the hands of Satan who would have no greater joy than to shut all this down. There is much that we must seek the Lord about....

2.) **GIVE.** We are moving forward completely by faith. Only \$5,000 is currently in the bank. Everything that has come in the past three years has been used for the furtherance of the Gospel. *(Over 157,000 different people have attended our 220 different open-air evangelistic meetings.)* My family and I and our teams around the world are convinced that God is going to provide this great need. Would you please give sacrificially? I am personally asking you to have a part. *"...I desire fruit that may abound to your account"* (Philippians 4:17). Pastors, would you be willing to take up a special offering in your church and encourage your people to invest in this marvelous opportunity for the Gospel? If the Lord leads you to partner with us, funds can be received online (SCAN THE QR CODE BELOW to give digitally or visit www.redeeminglyhopecrusades.com/donate.) You can also send a check directly to our 501(c)3. Donations and love offerings must be made out and mailed to:

3.) **GET THE WORD OUT.** Share this letter and the QR code link below with friends and others you know who have a burden for souls... Encourage them to join in these efforts financially, but especially through prayer.

God is on the move; it has been exciting to see how the Gospel is advancing. Lost souls are hanging in the balance! Many 1000s who've NEVER HEARD the reality of Christ will soon have an opportunity to hear of His love and the hope of Heaven before it is eternally too late! On their behalf, I humbly and earnestly ask you to join with us in this aggressive undertaking for the cause of Christ. **Please scan the QR code to watch a special video we made about this update.**

To God be the glory! We are eager to see what the Lord is going to do in these wonderful days ahead!!
