The Ingrams Missionaries to Brazil

September 2026

Thank you for praying for us and the ministry in Brazil. We have seen some tremendous victories. We praise the Lord for the battles. We have seen His faithfulness and his provision. There is nothing better in this world than serving our Savior.

We had several folks baptized during our anniversary Sunday. One of those who was baptized was Jean who is married to Priscila. He had gotten saved a couple of weeks before. Please continue to pray for this couple. They continue to have some intense battles. She recently gave birth to a baby boy.

We recently had a man camp. This camp was very special because one of our mighty men, Felipe, organized the entire camp. You may remember us asking for prayer for Felipe who is married to Larissa. He is one of the men who come to our weekly men's meetings. We had 14 men and young men come out for the camp.

Please continue to pray for our weekly men's meetings. We continue to see fruit from this ministry and see God strengthening the church. Some of our men are unable to attend our men's meetings. To minister to them we have begun making podcasts based on our men's meetings.

Please pray for Gabriel and Danielly. He was saved a few years ago. He suffered severe anxiety when he was around crowds. It was so bad that he had difficulty coming to church. During this time his wife has been faithful in praying for him and coming to church. The Lord gave him the victory several weeks ago and he has been coming to church. He even came out to our man camp.

We started a weekly ladies meeting to mirror our men's ministry. Because many of our ladies work it is difficult for them to get together on a weekly basis. We have begun doing podcasts to strengthen them. Please pray that the Lord would bless this ministry.

We have also started a weekly meeting for our young men. When I started the meeting I asked if any of our men wanted to help. One of our men who has been faithful to our men's meetings offered to help. Max has been saved less than two years. The focus of our young men's meetings is to develop men of character and conviction. Please pray for wisdom for this ministry. We want to raise up giant killers for the next generation.

Please continue to pray for our soccer ministry. We regularly see young men pray to receive Christ. Pray that they would grow spiritually and attend church.

We are seeing people saved on a weekly basis as we go door to door in the neighborhood around our church. Please pray for God's power and wisdom as we seek to win people to Christ.

Please continue to pray for strength and wisdom as our people seem to encounter cascading problems. We have been so excited to see how each victory leads to another victory. God is so good to us. Please continue to pray for Joshua and Rebekah.

Tim Ingram
