Dear Praying Friends,

This past Sunday we celebrated Lidia's birthday almost two months late! We have a friend that gave us money to do this and we bought a taco stand which we used to make the food. We ate tacos to our fill that day and we had a good group of people in attendance. There were six first time visitors that came and two of them got saved! A family that has not come to church in a while came back. The mom brought her 87 year old mother with her! Please pray for these to return to church with us.

In Pozo we have been having low attendances as of late. The catholic priest is requiring all of the children to go to catechism and this is on the very day that we have our church services. This change has been a permanent one and many of the children are not coming as before. We understand that the enemy is the devil but he does use his own to do damage to the work of God. Please pray that this situation will be fixed.

A few weeks ago Lidia held another ladies' meeting. She invited one of her friends to come and speak to the ladies. It was well attended and, of course, they had a meal! God spoke to the ladies' hearts and they were very thankful for the message from the Bible.

Since our last letter Lidia and I were able to see 35 people trust Christ for salvation! Our church people led another 41 to the Lord! Bertha is a blind lady that goes out soulwinning with us when we go to the hospital. One week she was not going to be able to go with us so she contacted Lidia to see if they could go out soulwinning together on a different day. They both went and saw people come to trust Christ for salvation!

Yours for souls,
Mike and Lidia Lemma
