An Exciting Building Update & An Urgent Prayer Request

We are thankful to share that God continues to bless the construction of our church building addition and auditorium.

In recent weeks, we have been able to lay the floor, complete the electrical work, and hang the drywall in the new addition. We have also finished installing the drop ceiling in the auditorium. With each step completed, we are seeing the vision God has given us become more of a reality.

We are especially grateful for the friends who came down to serve alongside us. Their willingness to sacrifice their time, talents, and resources to help with the electrical work and ceiling installation was a tremendous blessing to our ministry.

We are also especially thankful for many dear friends who recently gave **$3,000** to purchase the ceiling tiles needed to complete the drop ceiling in the auditorium. That generous gift came at just the right time and allowed us to finish this important part of the project. We praise the Lord for His provision and for those who allow Him to use them in such a wonderful way.

This phase of the project carries a total budget of **$150,000**. Through the sacrificial giving of our church family and the faithful support of friends and supporting churches, much has already been accomplished. However, we still have **$85,000 left to raise** before this phase is fully funded.

Our most immediate need is the installation of the windows. We need **16 windows** to enclose and protect the building from the elements before further work can continue. The average cost to purchase and install each window is approximately **$500**.

Would you prayerfully consider helping us sponsor a window?

If 16 individuals, families, Sunday school classes, or churches would be willing to give $500 each, this entire need could be met. These windows will do more than protect a building. They will help provide a place where people will hear the Gospel, families will be strengthened, young people will be discipled, and lives will be changed for eternity.

Thank you for standing with us through your prayers and support. We do not take your partnership lightly. Every gift and every prayer is an investment in souls.

As we look at these unfinished walls, we are reminded that the Lord is still building. We believe the completed project will have an eternal impact on countless lives, and we are trusting Him to provide for each remaining need.

Thank you for praying with us and believing God for these next 16 windows.

With grateful hearts,

Daniel Wilder—missionary in Chimaltenango, Guatemala
