Praying Friends, **November 10, 2026**

We are excited to introduce our third child, **Hazel Jade Solt**, born October 21, weighing 6 pounds! Thank you for praying for a smooth pregnancy and delivery. We have seen God's hand throughout the process and praise Him for His goodness. Rachel is recovering well, and we are now safely home in Preston after spending time in London to facilitate Hazel's birth at a private hospital.

Family was a tremendous blessing during this time. Grandpa and Nana (my parents) helped us relocate to London and later return home to Preston. Grandma (Rachel's mom) also traveled from Montana to help care for Ruby and Andrew. We are so grateful for God's provision and the love and support of family as we begin life as a family of five!

Ministry Update Before relocating to London, we enjoyed a busy month of outreach! Early in October, we partnered with fellow missionaries, the Hodnett family, for a Community BBQ outreach. We welcomed **21 visitors** and distributed numerous Bibles and Gospel tracts. The Hodnetts operate *Honey and Bear*, a BBQ food truck, alongside pastoring two churches. God has used their social media presence to open doors into the community and create opportunities to share the Gospel. We are thankful for their partnership and especially grateful to First Baptist Church of Hammond for their generous gift toward the food and event expenses.

Midway through the month, we hosted a Bible Prophecy Conference titled *Israel: The Apple of God's Eye – Romans 9–11: Past, Present, and Future*. Over **120 people from across the UK** attended for Bible teaching and fellowship.

We also saw another answer to prayer! Seraphina, a young lady from Canada, came to study at our local university. She is a pianist at her home church and has been a wonderful addition to our ministry, which had gone seven years without a pianist! Hallelujah! We were also blessed to meet Seraphina's parents when they brought her over.

Our Harvest Sunday was another highlight, with **104 in attendance**, including 5 first-time visitors. One precious soul also trusted Christ following the morning service. We praise the Lord for His goodness! Another highlight was being able to present 2 more discipleship certificates to recent converts.

Soul Report During this prayer letter period, 5 more people heard the Gospel, and 1 trusted Christ! Masi, from the Congo, attended our Sunday morning service. Afterward, we spoke in the foyer about her salvation. Like many people, she explained that she had been trying to earn her way to Heaven. After spending about 30 minutes sharing the Gospel, she placed her faith entirely in Jesus Christ! What a joy it was to see another soul come to know the Lord!

Thank you for your continued prayers, encouragement, and faithful support. We are grateful to have you partnering with us in the work of reaching England with the Gospel.

For His glory,

Daniel, Rachel,
Ruby, Andrew, &
Hazel Solt

SOLT SIBLING ADVENTURES

Ruby and Andrew had a wonderful time riding the Tube with Grandma on their way to visit Baby Hazel in the hospital! They loved the excitement of travelling on the London Underground and making special memories with Grandma.
