## Rainy Season Never Ends

God has been blessing us despite several obstacles to our attendance. One of the biggest challenges has been the weather; we have experienced heavy downpours during multiple services, which always impacts turnout. We were even rained out of soul-winning last Thursday night. A thunderstorm rolled in just 15 minutes after we hit the streets, yet when we returned home, it was completely dry and hadn't rained a drop. (We live about 30 minutes north.)

We are praying for clear skies next week as we prepare to host some special visitors. Pastor Scott Hanks is bringing a group from Heritage Baptist Church in Lawrence, Kansas. Additionally, our pastor—who is also my son—Pastor Jonathan Painter, will be traveling with them. We are very much looking forward to it.

## Special Needs

We have raised over $4,000 toward our new passenger van, and our goal is to raise just over $25,000 more. It is a big goal, but we know that with God's help, we can achieve it!

We also have an incredible opportunity to have 20,000 tracts printed at just 1 baht per tract, which will cost us about $600. Having distributed over 30,000 tracts in a little over three years, this new supply would last a long time and save us a significant amount of money compared to the 1.7 baht per tract we currently pay. If you are able to help support this need, we would be incredibly grateful!

The Songthaew had a cow run into the side of it while it was out on the route. We couldn't find an owner to claim the cow (of course). Our insurance covered the damage, but it took two weeks to get it fixed. This really made it hard for us to get people to church, we even had to hire a taxi to help. Thankful to have it back!

We welcomed two adult visitors and one child this month. The child, an eleven-year-old girl named Ma Lii, was actually invited by some children we reached back in July who now attend faithfully. We are thrilled to share that she has trusted Christ as her Saviour!

We had an opportunity to visit a new Karen village that we had never been to before near the Burma border. This is located about an hour and half from our church. These young ladies who are in their late teens and early twenties trust Christ as their Saviour. We will return one Saturday in November to visit more of the village.
