Busy Serving With Our Saviour

Dear Pastors, Churches, Families, and Friends,

The Word of the Lord is continually going forth, and we thank the Lord for those of you who hold the line and make every work possible. It has been an exciting and very full set of weeks, as many souls have come to know Christ, while others are being discipled.

Nong Phlap (125 avgerage attendance) – We praise the Lord for the faithfulness of these church members in the midst of adversity. Being Burmese citizens, they often face many challenges to remain in Thailand and find employment. They are praying for their employers to give them favor and allow them to freely come to church. Imagine if you had the lowest income possible and were told that if you went to church, it would be further reduced, yet these people are willing to lose pay that they might gain Christ and His Word! Also, every month they share prayer requests of those back in their home country whose homes have been destroyed or whose food supplies have been cut off. Please keep these people in your prayers, as well as their pastor, Ajarn Pong, and his wife, Da. In September, the Gospel was preached to 300 people isolated along the Thailand border. There were 250 saved, with Scriptures and food provided.

Hua Hin (110 avgerage attendance) – This month, we held an inspiring Missions Conference, "Send the Light." Native missionaries from a neighboring closed country were invited and shared their testimonies of service for God in spite of oppression. Our Thai and foreign church people alike were moved and challenged to do more for the spreading of the Gospel. We were also blessed to have Missionary Philip Pope in attendance, a veteran of almost 50 years! On the first night, a lady named Wong traveled 3 hours, hoping to again meet the man who had led her to Christ and baptized her 30 years prior. To this day, she carries around an old faded picture of her baptism. May the Lord give each of us a lifetime of service for Him that we may reach hundreds if not thousands more like Wong. The young people are continuing to grow in faith with Teen Soul Winning each Saturday in October. Many are learning how to give the Gospel and then giving it for the first time. They are so excited when they lead their first soul to Christ! Village Bible Clubs will also take place in 5 areas this October. Please pray for these ministry opportunities, for souls to be saved and come to church.

The Great Commission is alive and well! As we go forth bearing precious seed, the Holy Spirit speaks to hearts. Many have heard the Gospel and chosen to accept Christ as their Saviour. Some accept readily, but not all. Some plant, some water, and God gives the increase! Lek was sitting in her home, rubbing down her aching legs. Since her accident many years ago, she does not go out. My wife Sarah shared the Gospel with her, but she was not ready to accept Christ. We encouraged her to come to church and just sit and fellowship and listen. She came the first week, the Lord working on her heart, and after the morning service, she went home with her aching back and legs. The next week, she came again. After the morning service, she said, "My back does not hurt so much today." Joom sat with her and again gave her the Gospel. This time, she was ready to trust Christ. After her salvation, her face was filled with so much joy. She has come faithfully ever since and was recently baptized. My daughter Autumn, after receiving reassurance of her salvation, was recently baptized on September 27. We are thankful for her and thankful for God leading her path. Both churches have seen many salvations this month, our family being a Gospel witness to 27 of those souls. We thank you for praying for God's working in Thailand!

Grateful to serve,
