Dear Friends and Supporting Churches,

After staying in the States for a few weeks, we have now returned to the field, and we are back at work. Thank you for your prayers for our safety. God miraculously saved our lives and our home during a ferocious tornado that ripped through our neighborhood last month.

We are drawing up plans to open a Bible institute here in our church, with backing from the Spanish Department of our sending church, the First Baptist Church of Hammond, Indiana. We also have prospective students who are ready to enroll.

Our public-school ministry continues. We haven't lost sight of that opportunity, although the work is uphill all the way. Thank you for your prayers for our public-school ministry.

We will be holding a Missions Conference here on October 31 and November 1, 2026. Please pray about that.

Please pray for church friend, Pablo Ramirez, a mechanic who maintains our vehicles. He has prostate cancer, received an emergency operation, and is now recovering from the operation.

Thank you all for your prayers and support! God bless you greatly.

Sincerely,

Angel Lopez
