YOUR MISSIONARIES TO MEXICO

Dear Praying Friends, October 2026

I have always believed, and have mentioned before, that Spanish-speaking countries are, for the most part, very open to the Gospel of Christ, and if we could raise up more evangelists, and if all of God's people would do the work of an evangelist to preach Christ to others, then we could see a great harvest of souls for the Lord. Therefore, I was very excited when I had the opportunity to do an evangelistic campaign in public schools in the country of Honduras with veteran missionary, Pastor Osmin Gutierrez. Pastor Gutierrez has a great heart for reaching souls and a great relationship with other pastors and churches to spread the Gospel in their country and beyond. Therefore, we worked with several pastors and churches in different cities and were able to preach the Gospel of Christ in public schools to the masses. We were able to give out Bibles, New Testaments, John and Romans, Romans, tracts, etc. in the public schools. It is so amazing and exciting that we were able to give the Gospel to around 17,000 people; and, praise the Lord, the majority of them indicated that they were trusting Christ as their Saviour. To God be all the glory!

There is a great evangelistic opportunity, because Central America, South America, and other parts of the world seem open for the most part for someone to help the students in public schools with values, drug issues, etc. and, most importantly, to allow the sharing of the Gospel. When you consider that the majority of the people in these countries are under the age of 20, then it could be possible to preach the Gospel to literally millions and millions of people. The Lord Jesus said, *"The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."* We just need to pray that God would raise up more evangelists and also pastors and laborers to do the work of an evangelist, to reach these precious souls in public schools around the world with the Gospel of the Lord Jesus Christ!

My friends, I want to bring your attention once again to our exciting Evangelism Manual and Evangelism School that I have produced, which I believe can help us make a greater difference for the Lord Jesus Christ. The School of Evangelism has 102 instructive and inspiring messages that are in video and audio form, with lessons about personal and mass evangelism, leadership, prayer and fasting, revival, the power of the Holy Spirit, and so much more. If you would like to get these exciting evangelistic resources (of course, they are in Spanish), you can visit our website, PredicaACristo.com, and download these items (as well as other evangelistic material—tracts, books, etc.) for free.

The harvest truly is plenteous and ready, but we just need to go. The Lord Jesus Christ said, *"Go ye into all the world, and preach the gospel to every creature."* Thank you so much for all you do to help reach precious souls for the Lord Jesus Christ. Let's all just think, pray, go, and do more to reach people for the Lord!

Yours for souls,

Darrell Ratcliff
