MISSIONARIES TO MEXICO

October 6, 2026

Dear Pastors, Supporting Churches, and Praying Friends,

Thank you so much for your prayers over the past two months. It has been new to be home and not soul winning and preaching every day. But the Lord has given grace, and I have been able to get a lot of other things done.

By the grace of God, we left for seven weeks in a new church plant in Toluca on Monday, September 28. The Lord has given us a wonderful team of eight workers with Viry and me. While I have to take it slow, God is unifying the team more and more, and they have responded remarkably well in understanding my inability to accompany them every day like before. The Lord has provided a wonderful place for us to stay, as He always does, and has gotten us off to a good start. By the grace of God, I have been able to preach and lead the daily prayer meetings and go soul winning some. By November, I hope to be close to normal again.

As far as my health is concerned, I had the triple hernia surgery on August 17, and another emergency surgery when I tore a muscle in my abdomen on September 1. The second surgery was much worse than the first. By the grace of God, I am doing much better now. Also, the surgeon got saved, along with four nurses! To God be all the glory!

The Lord has given us faithful, diligent, tireless workers, and He has provided the finances for the Toluca team. We do need your prayers for the three-week Torreon team in December, the eight-week Michoacan team for January through March of 2027, and the eight-week team in a new church plant in Puerto Vallarta in June and July of 2027. We are praying for many of you also.

Yours for souls,

Chris and Viry Sage
