

Dear Supporting Friends,

July / August 2026

Many New Converts

These are exciting times! We have been having quite a lot of English folks coming to Christ recently. Many are visiting or attending church and asking questions. Quite a few Bibles have been given away in recent weeks as well. **Souls saved for this year has jumped up to 70 salvations and 5 baptisms so far, including a sweet couple from Iran, and 94 people have visited our church since the beginning of the year.** We are quite busy discipling new Christians. Please pray for England as a nation to be drawn closer to the Saviour and to become grounded in Biblical truths.

It has been encouraging to have visitors from the States helping us this summer. We had Jennifer Rarrick share her talents of music and speaking to the teen girls. Also, we had a large group from our sending church with our special friends, Dr. Mark Bosje and his dear wife Amber. They were a blessing in so many ways, with special music, preaching by Bro. Bosje, and teaching by others in our Sunday school classes. We enjoyed touring with them in Wales and London. The group also worked on our building maintenance, painting cleaning windows, walls, and floors. We are planning to have them come again in 2028. Truly, it is wonderful to partner with the First Baptist Church of Hammond and our dear friend and sending pastor, John Wilkerson!

Vacation Bible School

What a fun time we had at Vacation Bible School this year, which we call Holiday Bible Club in this country. Over 40 registered and attended. Many of the children had already trusted in Jesus previously, but we had 4 children who trusted Christ for Heaven while attending. Jennifer Rarrick came back to teach junior girls for our club, and we had Christian DeMoville over to teach the junior boys. They were amazing helpers! Pray for their future missionary ministries, please. Their testimonies spoke to the hearts of our church people. We were overwhelmed with all that happened this summer. Now to press on into autumn's full calendar.

Extra to Pray About

I am nearly done with the video of the recent incredible trip to Jordan and Israel with Rusty Guin. We are living in historic days. Recently, there has been a lot of talk of the Jews building their third temple in Jerusalem. **Right now, many Jews are freely going up to the Temple Mount to pray.** This is unprecedented, and it will fulfill prophecy! This means that Jesus is coming back very soon, and we need to be ready and busy. Satan is working overtime to persecute and kill, but God is doing more to build and to bless. Let us all stay in the spiritual battle for souls. There is so much to do. We need to be in our place and serve our God, so that He will find us faithful when He comes to claim His bride!

Solt Prayer Requests

Thank you for continued prayer for Jeremy's family in Boston. Jeremy suffers from serious migraines and needs prayer for this to be resolved. Josh has had some challenges with his job in Iowa and other difficult news, mixed with many special blessings. We ask God to strengthen him to carry on in faith, hard work, and trust in God to lead and direct. Meanwhile, Daniel and Rachel Solt are preparing to welcome their newest little girl in October**.** Please pray for all to go well and for Ruby (nearly 5) and Andrew (18 months) to adjust to a new baby sister**. Thank you also for your prayers and faithful giving.**

Yours for souls,

The Dave Solt Family
