FROM CONFERENCE TIME TO THIS YEAR'S GOAL

2026 Printed Total: 4,427,000

We are all rejoicing at the great things God did at our Annual Scripture Conference! Sixty-five Pastors from all over our Nation joined us at our wonderful home Church, Victory Baptist in Shelbyville, Tennessee, for three tremendous days of preaching, singing, food, and fellowship. Every report we heard from the missionaries stirred our hearts to do more for Bible production for the world in need. One specific report stands out in my mind how a gentleman in Zambia traveled five hundred miles on a bicycle to receive a Bible. These stories and testimonies never get old but encourage our hearts each year. Seeing all the faces of the precious souls around the globe on videos from missionaries reminds us that God is always at work through the distribution of His Holy Word. Through the attendees after three nights' services, three hundred thirty-five rolls of paper were pledged to the glory of God! That's enough paper to produce 167,500 Bibles! When you consider that missionaries confirm each Bible reaches at least eight people on the mission field, the God-given results of this conference will impact 1.34 million precious souls! What a miraculous Father we serve! Now, we are focused on a huge goal for this year: 5 million Scriptures printed! We're asking the Lord to let us see this happen! Thank YOU for your part in the miracles God is performing here at the Bible-printing ministry. Your prayers, giving, and friendship are both needful and helpful here at BLMF!
